| Injection                          | Inyección                                     |
| Inline                             | En línea                                      |
| Inner/ Outer                       | Interno / Externo                             |
| Long /Short                        | Largo / Corto                                 |
| Lube line                          | Conducto de lubricantes                       |
| Main                               | Principal                                     |
| Oil bath                           | Baño de aceite                                |
| Oil cooler                         | Radiador de aceite                            |
| Power steering                     | Dirección asistida                            |
| Pre-Cleaner                        | Prefiltro                                     |
| Primary /Secondary                 | Principal / Secundario                        |
| Recirculation                      | Reciclaje                                     |
| Regulated Valve                    | Válvula regulada                              |
| Return Pipe                        | Tubo de retorno                               |
| Roof with Low Profile/High Profile | Techo de perfil bajo/perfil alto              |
| Safety                             | Seguridad                                     |
| Self Cleaning                      | Autolimpiable                                 |
| Sensor                             | Sensor                                        |
| Separator Fuel/Water               | Separador de combustible/agua                 |
| Severe duty                        | Trabajo intenso                               |
| Standard                           | Estándar                                      |
| Steering direction servocontrol    | Servocontrol de dirección asistida            |
| Tank                               | Depósito                                      |
| Tank strainer                      | Tamiz de depósito                             |
| Transmission                       | Transmisión                                   |
| Vehicles made in UK / Austria      | Vehículos fabricados en Reino Unido / Austria |
| With CAB                           | Con cabina                                    |
| With dust ejector                  | Con expulsor de polvo                         |
| Without CAB                        | Sin cabina                                    |

## c - Detalhes técnicos
